

Northampton County Health Department

RESOURCE DIRECTORY

2015

Preface

2015

The lack of economic opportunities in Northampton County has created an increased need for public resources for citizens in the county. This 2015 Resource Directory is intended to provide citizens with information on public and private resources that are available to meet their needs. Please note that this directory is for identification of resources available to Northampton County Citizens. It is not intended as a guarantee, an endorsement, a recommendation or an approval of any resource that is listed.

Please contact Northampton County Health Department if you have any concerns or suggestion about this directory.
